

BEAT THE CLOCK PIZZA

It's dead simple.

The time you order any pizza between 4.30pm and 6.30pm becomes the price you pay*

They're just as big,
they're just as good,
they're just that much cheaper!

*Monday to Friday only. Time between 4.30 and 6.30 has been split into 15-minute segments and you will be charged at the nearest interval.
